Information Technology			6	6	6
Telecommunication			3	3	
Physical Education	2	2	2	2	2
TOTAL LESSONS PER WEEK	32	32	32	32	32

WHAT WE OFFER:

WELCOME TO THE FIRST CLASS STUDENTS

The school organises a 10-lesson –course of Maths and English for the students in the first year who have problems with these subjects.

EXTRA LESSONS

Revision of the lessons during the morning classes

Afternoon revision courses

Help desk

The revision activities are organised at the end of the first term and after the end of the school year.

ORIENTATION AND RE-ORIENTATION

The orientation activities are organized as follows:

In-coming orientation with “ Open Days”

Out-going orientation

Re-orientation

*Istituto Tecnico Industriale Statale
Liceo Scientifico Tecnologico – Liceo Scientifico opz. Scienze Applicate*
“GUGLIELMO MARCONI”

Codice fiscale n° 83304190134*

RELATIONSHIPS WITH FAMILIES

Weekly meeting with teachers in the morning;
Two parent-teacher class committees, followed by an hour personal meeting with teachers;
Meeting with the Headmaster by appointment;
Handing out of circular letters about all the school activities (also present on the school website);
On-line communication of marks and absences of the students;
Communication of didactic difficulties of students with a letter at the end of the first term and in April.

INTERNSHIPS AND APPRENTICESHIPS

These experiences are organised in local firms and factories for the students in the three- year course. They are held during summer holidays.

ECDL (European Computer Driving Licence)

Training courses are present in the school to get the ECDL.

ON-LINE SCHOOL

Connecting to the school website parents can:
be informed about school activities;
communicate with the secretary;
get all the information about the school performance of their children and be informed about their presence at school.

In respect of privacy, every family will be able to check the assessment, school progress and the absences of their children.

INTEGRATION OF FOREIGN STUDENTS

Projects for the integration of foreign students are undertaken in our school and, if necessary, also Italian literary courses.

INTEGRATION OF STUDENTS WITH DISABILITIES OR D.S.A.(Individual Projects)

Our school offers projects for the integration of students with disabilities or DSA.

TRAINING AND REFRESHER COURSES FOR TEACHERS AND PARENTS
